General Q&A

The menu board is divided into several sections. The top row features four ramen categories: TOKYO (Classic chicken with seafood broth), TONKOTSU (Classic pork bone broth), MISO (Classic pork bone broth with Japanese soybean paste), and BLACK (Classic pork bone broth with Japanese fish powder & fragrant garlic oil). Below these are two rows of ramen bowls, each with a 'Regular' (R) and 'Ultimate' (U) option. The bottom section is titled 'ご飯物' (Gohanmono) and includes 'RICE' (Japanese Mini Char Siew and Egg Dish), 'GYOZA' (Boiled and Pan-fried), and 'APPETISER' (Aburi Japanese Char Siew). To the right of the rice section is a 'トッピング' (Topping) section with options like Japanese Char Siew, Braided Pork, and Ntamago. Below the rice section is a 'BEVERAGES' section with options like Mineral Water, Green Tea, Cooling Tea, Tiger Beer, and Pepsi.
